Re: *Abbey Resort v. Travelers Indemnity*
Case No. 18-CV-552

Dear Judge Jones:

The parties settled this lawsuit at a mediation conducted earlier this week. Counsel are working together to finalize a settlement agreement, and we anticipate filing a stipulation for dismissal on or before August 15, 2018. In light of our settlement, the parties will not be providing a Rule 26(f) report to the Court and we respectfully request that the Court remove the Rule 16 conference currently set for August 14, 2018.

Thank you for your consideration of this request.

Sincerely,

s/ David J. Turek
